Iowa State University Library
Librarian Council

Charge and Membership

**Purpose**
The Librarian Council Serves as the key librarian group advising the Dean of the Library on affairs and governance issues related to librarians, the library budget, and strategic planning.

**Responsibilities**
The Council identifies, discusses, and/or makes recommendations for librarian-related policies and procedures involving appraisal, professional development, recruitment, personnel policies, and governance. The Council brings its perspectives and concerns for library-wide issues (e.g., budget matters, strategic and operational planning, and infrastructure) to the attention of the Dean of the Library.

**Membership**
The Council is composed of the Librarian Assembly Executive Committee, the Library’s Faculty Senator, and the Dean of the Library. If the Library has an Academic Librarian or other P&S staff member serving on the Professional and Scientific Council, he or she may elect to serve on the Librarian Council.
