

# Iowa State University Library Lending Policy

Rev. 12/14/2017

## 1. Borrowing Privileges at the Iowa State University Library

Faculty, students, and staff of Iowa State University (ISU) use the standard University ID (ISUCard) to borrow items from the ISU Library collections. This card is issued by the ISUCard Office. This card must be presented at the appropriate service desk each time the patron wishes to borrow items from any collection in the ISU Library.

In addition to current ISU students, faculty, and staff, the following categories of patrons may borrow from the collections of the ISU Library:

- A. ISU emeriti/emeritae.
- B. Retired ISU faculty/staff.
- C. Visiting scholars, scientists, and faculty.
- D. Ames Laboratory employees (Administrative and P&S).
- E. United States Department of Agriculture (USDA) Collaborators, ISU Research Park, ISU Foundation and ISU Center.
- F. Post-doctoral students.
- G. Spouse/dependent of ISU student, staff, or faculty member.
- H. ISU alumni/alumnae and/or members of the ISU Alumni Association.
- I. Faculty from institutions participating in the OCLC Reciprocal Faculty Borrowing Program.
- J. Other individuals with continuing research needs that cannot be filled by a local library, by using the ISU Library collection on-site, or by interlibrary loan.

Patrons in categories A-G are eligible to receive an ISUCard from the ISUCard Office. Patrons in categories H-J should apply for an ISU Library Visitor Card at the Circulation Desk, 102 Parks Library, Monday through Friday, 8:00 a.m. to 5:00 p.m. Applicants should bring a valid form of photo identification (e.g., driver's license, Non-Driver Identification Card, etc.).

## 2. Parks Library General Collection

### 2.1. Circulating Books/Government Publications

**Loan periods:** For currently registered undergraduate students (except those enrolled in the Honors Program or a course numbered 500 or higher), special students, classified staff, and extramural borrowers, the standard loan period is four weeks.

For faculty members, professional and scientific (P&S) staff, currently enrolled graduate students, University Honors Program students, undergraduate students enrolled in a course numbered 500 or higher, and research associates, the standard loan period is one academic year. The due date for these extended loans is set each year on the final day of the Spring Semester.

*Regardless of the borrower's status and length of the original loan period, all items are subject to recall when needed by another patron or by Reserve. (Policies governing recalled items appear below.)*

For all items with a loan period of one week or more, a reminder (“courtesy”) notice is sent three days prior to the due date.

For all items with a loan period of one week or more, a reminder (“courtesy”) notice is sent on the due date.

For all items (regardless of loan period) that become overdue, an overdue notice is sent one day after the due date.

**Renewals:** All items may be renewed unless a recall or hold has been placed on the item by another patron or by Reserve. Items can be renewed either in person or online, although limitations apply to online renewals (see next paragraph). To renew an item in person, the patron should bring the item to a library circulation desk, along with his or her ID card. Telephone renewals are not possible.

All items loaned for one day or more can be renewed online. Online renewal is blocked if an item is overdue, or if another user has placed a recall or a hold on the item.

**Overdue fines:** Fines are assessed at the rate of \$.50 per item per day (or portion of a day), can accrue to a maximum of \$10.00 per item, and are billed via ISU Accounts Receivable.

**Billed books:** Once the maximum fine has accrued on an overdue book, the book is subject to billing (for replacement). The patron will be charged a \$13.00 processing fee (per book) in addition to the overdue fine, plus the replacement cost of the book.

**Credits:** Patrons returning billed books to the Library may have the replacement cost credited and refunded, if the Library so chooses. The Library reserves the right to reject such items if the billed item has already been reordered or replaced, or is no longer needed in the collection, or if the billing date is more than two years old. The overdue fine and processing fee are not refundable.

**Recalled items and recall fines:** All items are subject to recall when needed by another patron. A recall notice will be sent to the original borrower, establishing a new due date. This due date will ensure a minimum two-week loan for the original borrower.

Recall notices are sent by email. Patrons who expect to be absent for extended periods of time--sabbaticals, break periods, vacations--should make the necessary arrangements to ensure that library materials can be located and returned to the Library in their absence.

Recalled items are subject to a fine of \$4.00 per day (or portion of a day) overdue. Fines begin to accrue on the first day after the recall due date, can accrue to a maximum of \$40.00, and are billed via ISU Accounts Receivable.

Once the maximum fine has accrued on a recalled item, the item is subject to billing. The patron will be charged a \$13.00 processing fee (per item) in addition to the \$40.00 fine, plus the replacement cost of the item.

Patrons returning billed recall books to the Library may have the replacement cost credited and refunded, if the Library so chooses. The Library reserves the right to reject such items if the billed item has already been reordered or replaced, or is no longer needed in the collection, or if the billing date is more than two years old. The overdue fine and processing fee are not refundable.

## **2.2. Periodicals (journals, magazines, etc.)**

***Loan periods:*** Unbound periodicals may be borrowed for one day for use outside the Library. Exceptions to this policy may be granted only by supervisory staff at the Circulation Desk.

Bound periodicals borrowed on 4-week loan (or special exception basis) are subject to a fine of \$0.50 per day. In both cases, fines can accrue to a maximum of \$10.00 per item and are billed via ISU Accounts Receivable.

***Billed periodicals:*** Once the maximum fine has accrued on an overdue periodical, the item is subject to billing. The patron will be charged a \$13.00 processing fee (per item) in addition to the fine, plus the replacement cost of the item.

**Credits:** Patrons returning billed periodicals to the Library may have the replacement cost credited and refunded, if the Library so chooses. The Library reserves the right to reject such items if the billed item has already been reordered or replaced, or is no longer needed in the collection, or if the billing date is more than two years old. The overdue fine and processing fee are not refundable.

### 3. Leisure Reading Collection

the Map Collection are designated as non-circulating, and intended for in-room use only. Exceptions to these policies may be granted only by supervisory staff in the Media Center.

***Overdue fines, recalls, and billed items:*** The overdue, recall, and lost item policies governing the Parks Library General Collection apply to the circulating Map Collection as well. Exceptions to these policies may be granted only by supervisory staff in the Media Center.

Fines for portable microfiche readers are \$1.00 per day with a maximum fine of \$20.00. Microfiche readers more than 20 days overdue will be billed as lost. If microforms or readers are returned after billing, the borrower will be credited for replacement costs only.
