How to Install PARKS LIBRO:

1. Search “PARKS LIBRO” on Play Store (Android) / App Store (iOS), download and install as shown in the fig 1.a and 1.b. You can also scan the QR code to install PARKS LIBRO.
2. Open Parks Libro App and select sign in to login with your Iowa State University Net-ID. Enter details as shown in fig 2.a and 2.b.

3. There will be an email from ConverSight.ai admin with authentication code and user guide. Note: The email may be found on your spam folder.

4. Once you are authenticated press the grey mic icon as shown in fig. 3
5. Parks Libro will ask you to sign into Amazon to connect Parks Libro with Amazon Alexa. Create an Amazon Account if you don’t have one to login as shown in fig 4

6. Once signed in you will see the Parks Libro mic screen
Enable Alexa PARKS LIBRO Skill

7. To enable Parks Libro skill press the mic and say “Alexa, Enable Parks Libro”
8. Now Parks Libro Skill is enabled to your account and Parks Libro will ask for the authentication code for verification
9. Read out the correct authentication code you have received in email
10. Once verified, you are ready to interact with Parks Libro
HOW TO USE PARKS LIBRO

11. Start interacting with Parks Libro by pressing the mic icon as shown in fig 5.a and 5.b (refer Parks Libro basic commands to try on the last page)

12. To send feedback, such as feature requests and suggestions, use the send feedback option from the menu.

13. Use the User Guide menu to learn more about how to use Parks Libro, including things to try and help videos.
